MUSIC DIRECTOR'S WEEKEND

If you think Generations is a fun weekend, imagine being there without the kids!

As a logical extension to our highly successful weekend in May, the Director's weekend is for those hard working band Directors who sweat, grind, drive and inspire on a regular basis to make it all happen for their young music students.

Come and join us for two days of fun, with clear goals centred on professional development and a sharing of knowledge.

To keep things as simple as possible and because many Directors have been to Mount Gambier before (some MANY times), we have decided to leave the travel and accommodation to you.

This means you can choose to fly, drive or walk if you prefer. Some like a spa in their room and some like to stay in the pub! All personal costs are managed by you.

If you do want any easy fix however, Dale Cleves has kindly offered to provide affordable accommodation at the Barn Palais for those who would prefer to stay there. To check room styles etc go to www.barn.com.au or for more extensive accommodation options go to www.mountgambiertourism.com.au

I know that Karyn Roberts would be happy to assist in anyway, so contact her at admin@generationsinjazz.com.au or 0408-854316.

Looking forward to seeing you there!
